TOP PRIORITIES

Provide high-quality affordable childcare for low-income families

Ensure families have access to needed supportive service

Provide intentional interventions and supports necessary for children with special needs

Goal One

- Provide low-income children, ages birth to five, with the services and experiences needed to become lifelong successful learners.

Goal Two

- Children and families will have the education, training, and support necessary for independence and success.

Goal Three

- Increase capacity to provide high-quality, comprehensive services for low-income children and families.
