

Opportunities, Inc.

2017-2023
Strategic Plan

MISSION

Opportunities, Inc., partnering within each community, will respectfully support and educate low-income individuals to achieve self-reliance.

VISION

Our vision is nothing less than providing a supportive agency and programs to build responsive communities where low-income individuals have the power and opportunity to create positive and lasting change for themselves and others.

Core Values

Commitment

Respect

Innovation

Fun

Excellence

Cognitive Resourcefulness

Ensure low-income individuals have access to safe and affordable housing

Provide affordable childcare for low-income families

Provide supportive services for low-income families

1

Family Goal

- Families and individuals have access to the supportive services necessary, leading to renewed hope, self-reliance, and a pathway out of poverty.

2

Agency Goal

- Opportunities, Inc., as a cohesive, quality, and compliant organization known for its ability to lead change, change lives, and change communities; safeguards low-income and vulnerable populations.

3

Community Goal

- Each community will develop systems, supports, and opportunities for low-income and vulnerable populations; and recognize Opportunities, Inc. as an impactful and purposeful community change agent in developing pathways out of poverty.

The Promise of Community Action
Community Action changes people's lives, embodies the spirit of hope, improves communities, and makes America a better place to live. We care about the entire community, and we are dedicated to helping people help themselves and each other.
